

# Lateef Kazeem

## Centre Forward & Attacking Midfielder

### PLAYER PROFILE

Dedicated and highly coachable forward with a strong physical presence, intelligent movement off the ball and a calm mentality in front of goal. Equally comfortable leading the line or operating behind the striker, using height, timing and technique to link play and create chances for the team. Works hard out of possession, presses intelligently and reads the game well, with a genuine desire to keep improving and compete at higher levels of football.
